

Linoleum Print Tray, Tealight & Napkins

Instructions No. 2502

Difficulty: Advanced

Working time: 10 Hours

Linoleum printing is very versatile and the finished motif can be applied to a wide variety of materials. In our instructions, we give you a great **motif template** to create beautiful leaf tendrils. We have applied these to a **tray**, to tea **light cubes** and to **cloth napkins** - creating a wonderful interplay and great to decorate and use together on the table.
